### FAQ

#### **Q Do I have to do all 5 days together**

A: No, the good news is you can effectively pick and mix the courses to suit you and your operational needs. We offer 1 and 2 day courses because we understand how difficult it can be to let staff go for any length of time. If you are lucky enough to have staff on standby, we can offer the whole 5 days in one go.

#### **Q How many staff do I need to send**

A: That is up to you. We will take 1 up to 10, we offer flexibility because as a quality operator we understand your needs.

#### **Q How soon do they need to qualify**

A: Everyone with a licence has 5 years from 10th September 2008, but every course taken in that time counts towards the CPC, we wouldn't advise you leave it too late.

#### **Q Do I have to book them all in one go**

A: No, although we will offer a discount if you are able to. Pick and mix them and book as you go but to get the best rates you can pre-book them.

#### **Q Can you come to our operating depot**

A: We have excellent facilities here at Yeomans Way, but we are always more than happy to come to you, and will provide a cost for a training day, all you need to do is supply the staff and the room for training.

#### **Q What do I do next**

A: Call us to find out just how easy it is to deal with the CPC, we are here to take away the hard work for you.
